Alma Mater

Garfield High, Our Alma Mater,
Hark, Our voices rise to thee,
Heart and hand each son and daughter,
Pledges Truth and loyalty . . .
Kindliness to one another,
In these halls of endless fame,
Guide and help us Noble mother
To be worthy of thy name.

Tho we wander from thy portals
From without thy shelt'ring doors,
Live again in dreams of mortals,
In these happy days of yore . . .
When through thy halls we walk'd and lingered,
Ere the years did thus unfold,
Where we were rank'd as Garfield's children
Followers of Maroon and gold.

Their Aim.

HARLAND B. HORTON
Principal

For over 30 years, Mr. Horton has dedicated his life to the enrichment of the mind. His dedication and love for Garfield cannot be denied. All have seen the glisten in his eyes and felt the warmth of his words when he speaks of the "best student body in the city". Whether in his office or sitting in the stands of a city series game, this is our principal, Mr. Horton . . . the man who continues to make Garfield the best school in the city.

"the best school in Akron"

ROBERT SIMMONS
Assistant Principal

Mr. Simmons has been a part of our educational system for nearly 16 years. Seven of those years have been spent at Garfield. The betterment of every student is Mr. Simmons' goal. Whether assigning a locker or tracking an unexcused absence, Mr. Simmons is always ready to help make our school a better place in which to study and learn.

Junior Tom Seibel

Success is nothing new for football teams here at Garfield, and this year was no exception. The Golden Rams started off unusually slow, but Flossie and his staff pulled the boys together and came out with a spot in the Shaugnessy Playoffs.

Over the years Flossie has employed a "grind 'em out" type of offensive, and this has brought a great deal of success to our teams. While compiling 101 wins against 47 losses and 6 ties, Coach Flossie has placed our teams in the annual Shaugnessy Playoffs 18 years in a row.

Inspiring our team to virtually destroy the opposition after our slow start, Coach Flossie and his staff deserve a great deal of recognition from both the students and the team here at Garfield.

The 1965 Homecoming celebration opened on Friday, October 15, at the traditional homecoming assembly, presented by many enthusiastic Garfield students. That night Garfield defeated Firestone 8-0. The high spirits of the previous day were present Saturday night as the Student Council's "Sleepy Hollow" dance began, and later the crowning of Queen Claudia Curry by Marsha Traveny climaxed a wonderful weekend.

BJ's Nancy Yockey Visits G. H. S. Journalism Class

"I think newspaper work is something that gets into your blood", said Miss Nancy Yockey, Akron Beacon Journal Teen and Beauty Editor, in a speech to a Garfield high school journalism class, November 17.

Miss Yockey spoke about some of the characteristics a good newspaperman must have. Among them are thoroughness and accuracy, sensitivity, stick-to-it-ive-ness, dedication, and the ability to spell.

"You need to be aware of places and people," said Miss Yockey.

Tracing her own steps back, Miss Yockey related her experiences leading up to her present position. She worked on her own high school's yearbook and newspaper staffs. After graduating from Kent State University, she worked on her father's small-town paper, and was a stewardess. After this she went into public relation and advertising and later got her job at The **Beacon Journal** where she has worked for over five years.

Miss Yockey advised all prospective journalists to get a job on a small paper in which you can hold several positions at the same time.

"Newspaper work is not all glamorous," she added.

She stated that sometimes you must do unpleasant stories, such as interviewing a widow, and must sometimes work long hours. Miss Yockey gets information for her teen column from representatives from the area high schools. These school reporters send her reports of news worthy happenings in their respective schools.

"You learn something every day, you give of yourself to others — it's a great adventure," she said.

The speech was followed by a question-answer period.

"Crusade Of Dimes" Surpasses Goal

The "Crusade of Dimes" held in December by the Service L reached a booming height over the predicted goal. The final tally t $183.59, which was $63.59 over the goal of $120 dollars. The rema money will be added to the fund to adopt a child next year.

The League decided that the adopted child would be a boy fro of the three following countries: India, Brazil, Viet Nam. Kathy B member of the League, has been chosen to correspond with the child. The final word on the boy's age and past will not be known for at least another month.

Since 1938, Americans have been sponsoring needy children by helping them find the love and care they deserve. For $120 a year or $10 a month, the child would receive food, clothing, shelter, medical care, education, religious instruction, and a feeling of being wanted and needed. In return, the child's photograph, life history, and description of home and school are

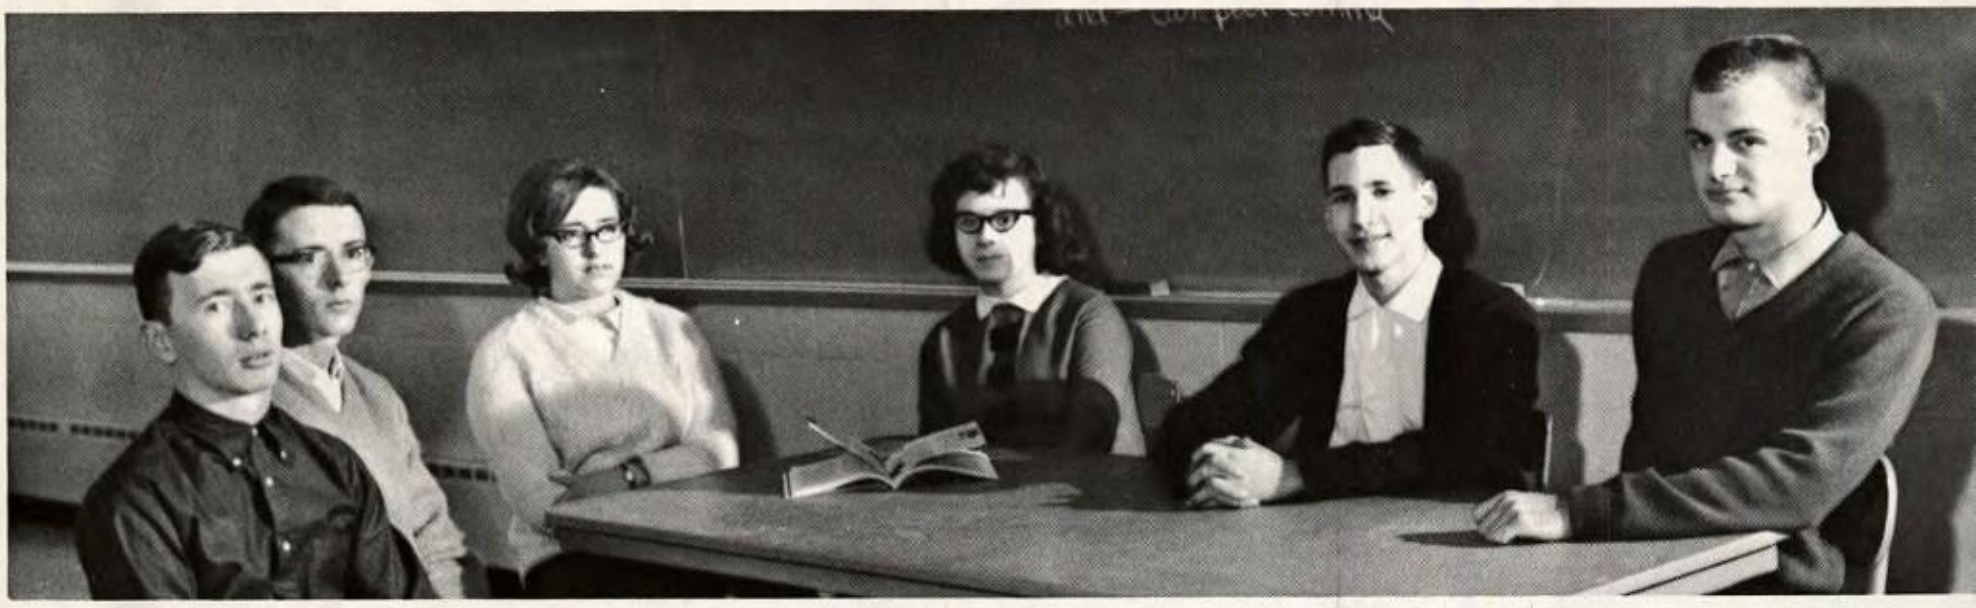
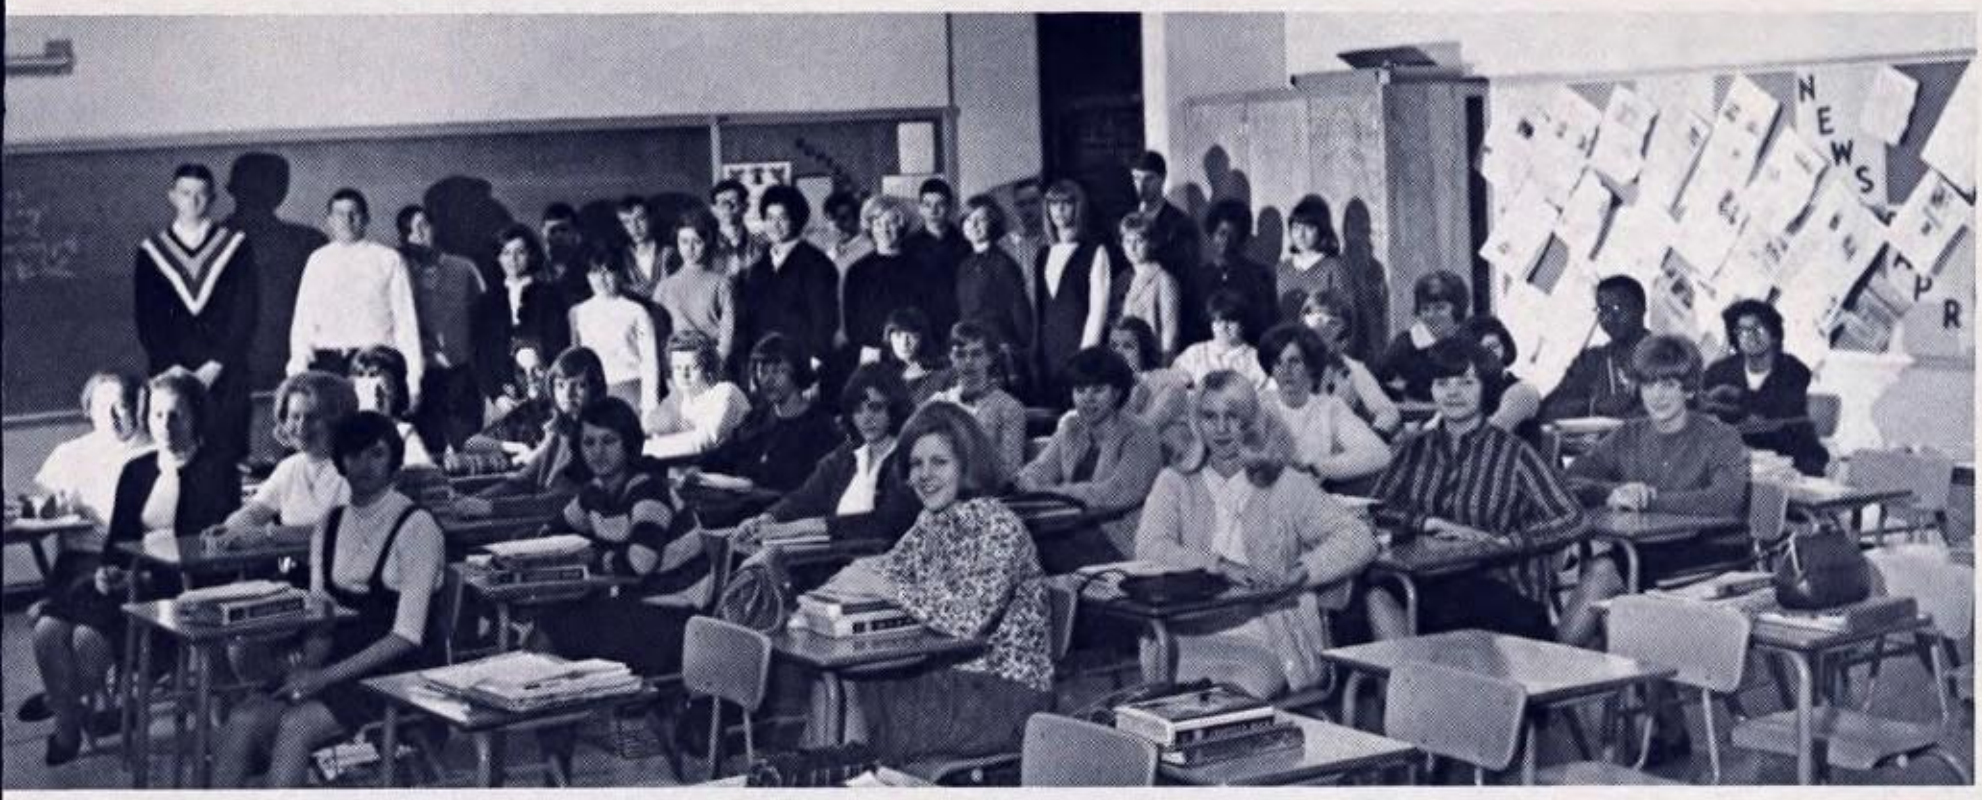
ART CLUB



The *GREAT BOOKS DISCUSSION GROUP* meets every other week to discuss the problems which have always troubled men. Using the "Socratic method," Mrs. Monde asks us questions about the books we have read, and we attempt to arrive at answers. These discussions give us a good opportunity to broaden our intellects.

The *MASQUE AND WIG CLUB* has approximately twenty-five active members. It is responsible for performing various plays and skits for assemblies and this past year it presented a talent program for the Children's Home.



The *HOME ROOM REPRESENTATIVE* collects the monthly yearbook and newspaper payments, and handles all other collections which may be necessary throughout the year.

The *GIRL'S ATHLETIC ASSOCIATION* is interested in sports. In learning through participation the value of teamwork, we hope the members develop in character, acquire good sportsmanship and a sense of responsibility.

The *FRENCH CLUB*, under the direction of Mrs. Mondl and Mrs. Valis has been very active this year. They have seen films in French and have heard a variety of French records — from rock and roll to Christmas Carols. They also helped plan a language club dinner with the Spanish and Latin Clubs.

The *HIKING CLUB*, a group in conjunction with the **Akron Hiking Club**, has been active for two years. Many members have received their hiking staff this year.

The *FUTURE HOMEMAKERS* is a new club at Garfield trying to do things for our community and school. As a club it has done everything from giving the teachers a breakfast to washing the teachers' windshields. The Theme this year was: "Building Blocks for the Future."

The *PEP CLUB* is an organization which endeavors to boost school spirit by attending games, making signs for all games, and providing a bus so all students can attend games. Thanks to the Pep Club, the cafeteria and halls were well covered with spirit-bolstering signs. Pictured to the right are the officers of the club, Chris Jones, Theresa May, Diane Ugran, and Linda Berkheimer. Mrs. Nicholas is the Pep Club advisor.

HI-Y is a club comprised of senior and junior boys. It is affiliated with the school and the YMCA. The purpose of Hi-Y is to create, maintain, and extend high standards throughout the school and community. Our local Hi-Y annually assists the Blu-Tri in the Mum Sale for Homecoming. This year the members collected food and gave it to a needy family for Christmas.

Blue-Tri

Blu-Tri, Garfield's largest service organization, has had many activities this year. We started off with the Homecoming Mum sale and collected food for a needy family at Thanksgiving. We also sponsored the annual Christmas Dance and won first prize in the bulletin board contest. We finished the year with a traditional Mother-Daughter Banquet.

Blue-Tri presented its annual Christmas formal on December 18, 1965. The court was chosen by a vote of the club's members. Members of the Christmas Court were: Seniors Priscilla Long, queen, Chris Augustine, Cheryl Kline, crowner, Kathy Markovich, crown bearer, and Juniors Sherri Kasserman and Janis Jarzenski. Decorations were red and gold and the holiday season was highlighted by a huge Christmas tree.

Because many of the projects undertaken require money, Student Council sponsors the annual Homecoming Dance as their one money-making project of the year. Due to the success of the dance this year, Student Council was able to design and purchase a flag for the school.

Of Song

The major, annual activity of the Garfield Choir is the production of Singarama. Many long hours of hard work go into such a musical program. Work on Singarama usually begins in March with the meeting of the script committee. They decide the theme of the show and the songs that will be done. After the basic format is decided upon, the rehearsals for the cast begin. All costuming, lighting, choreography, staging, advertising, and script writing is done by the choir members. The only adult advisor is Mr. Kemppel, director of the Garfield chorus. Singarama is usually presented in May. The money obtained from the production is used to buy new stoles, robes, and other choir necessities.

THE MOUSE THAT ROARED

The play was given April 8, 9, and 10, 1965, and was directed by William Waggoner. The plot is a humorous attempt on the part of a tiny European country to lose a war with the U. S. They figured that by losing the war, they would gain foreign aid and their economy would rise.

YEARBOOK

A yearbook is a unique publication. It is a pictorial story of a school year. More than this, a yearbook expresses the joy of a pep assembly and the sadness felt by seniors as they realize the good times and hard work of the last three years are soon to become memories.

This yearbook was designated to please the Garfield student body now and in the years to come. It is the hope of the 1966 Yearbook Staff that we have succeeded.

To the nicest, the tuffest, the sharpest girl here at Garfield and everywhere else for that matter. No matter what happens to us you can always be sure that you have a place in my heart. I dont mind bragging and saying that when I got you I get the best. Dont ever forget last summer, last fall, last winter this spring and look forward to all of them to come. I just hope that you spend them all with me. Remember me always because I'll never forget you.

Love
